Description

BONT Prostar Tracer Ballistic Abec 7!
A skate designed to be light, responsive and heat moldable! A skate designed for you. The thermoplastic in the heel allows you to mold your boot with a hairdryer to obtain a custom fit in under 10 minutes. This is especially good for skaters with skinny or wide ankles. The boot is made with suede and features replaceable rubber bumper toe protection, an adjustable velcro top strap, and rear heel loop to put your laces through. The aluminum Tracer plate has a 20-degree action. The package will come with 92A Ballistic wheels made with premium high rebounding urethane, rounds out the super-light Prostar package.
