Description

ATOM Road Hog Outdoor Wheels!
The Atom Road Hog has a new look! Engineered for speed enthusiasts and marathon skating aficionados alike! Elevate your skating experience with these premium wheels designed to deliver unparalleled performance and silky smooth rides on any outdoor terrain. The new design has incorporated the durability of the Road Hog urethane and the roll of the Savant core. We crafted this wheel with precision and durability in mind, our 66mm wheels effortlessly glide over rough surfaces, ensuring you enjoy every moment of your skating adventure. Whether you're cruising through the park or racing down the boardwalk, these wheels offer the perfect balance of speed, stability, and control. Say goodbye to bumps and vibrations, and hello to an enjoyable skating experience like never before. With our oversized 66mm outdoor roller skate wheels, every stride feels effortless, allowing you to focus on the thrill of the ride.

Upgrade your setup today and experience the difference for yourself! Comes as a Complete set of 8 wheels.
