Description

NEW! Sure-Grip 405 Heritage Skating Boot!
The 405 skating boot is Sure-Grip's debut entry into the world of high-performance skating footwear. Designed for the skater who refuses to compromise between classic aesthetics and modern durability, the 405 is a masterclass in craftsmanship, 2 years in development. This isn't just a boot; it's a commitment to quality. By combining traditional boot-making techniques with the specific demands of the rink and the street, we've created a silhouette that feels like a second skin from the very first glide.

Premium Features:

• Full-Grain Leather Uppers: Selected for their incredible durability and natural breathability. This leather doesn't just last; its develops a unique patina over time, telling the story of every session
• Genuine Leather Sole: Provides a stiff, responsive foundation for maximum energy transfer.
• Shearling-Lined Tongue: Say goodbye to lace bite. Our plush shearling lining provides a cushioned barrier that wicks moisture and ensures a snug, luxurious fit across the bridge of your foot.
