Description

The Sure-Grip REBEL Colour Leather Boot GT-50 Setup is a Great entry level Rollerskate for Beginning Derby, Recreation, Jam or Speed!

The Rebel Avenger skate package features an all leather boot, DA45 degree Avenger aluminum plate, QUBE Juice bearings, Fugitive wheels (89A hardness), and a Carrera speed toe stop.

The Avenger is a light weight skate plate that utilizes the 45 degree kingpin design that we pioneered more than 20 years ago. Extremely responsive, the Avenger plate brings your skating to a new level.

The Rebel Boot features Top grain leather, an ultra comfort collar, flex-notch, secured heel strap. Available in Men's sizes 1-13. Ladies sizes go down one size (ie. M7 = L8). In available in colours! Choose from: Blue, Yellow, White, Pink, Green, Red or Purple! (Also available in Black boots here.**)** The ROCK Nylon plate is a superior plate chasis than most others in the entry level category! A tried and true reliable entry level skate for derby and recreational skating with higher end features like a fully stitched sole! No wonder the GT-50 continues to be one of the most popular skates in North America! Comes standard with GT-50 black/white swirl indoor rink wheels 95A, ABEC -5 bearings, and Carrera 5/8" adjustable toe stop. Available in Men's sizes 4-15! Ladies sizes usually go down one size (ie. Mens 7 = Ladies 8). Let us check your sizing before ordering, email in your foot measurements **according to this sizing** so we can doublecheck and make you get the right size for your feet!
