Description

187 Killer Lock-In™ Knee Pad Recaps are easy to install and remove, designed to fit the 187 Pro Derby Pad and the 187 Pro Knee Pad and made of specially formulated materials they are durable and long lasting. The new advanced Lock-In™ ReCap System closely contours the foam core and pad casing, greatly minimizing gaps between cap and pad. The new design sets a lower profile allowing for less bulk and optimum performance. Set of 2 Black or White Knee ReCaps.

Lock-In™ ReCap System:

- A loop found on interior of the cap works with the strap on the front of the pad to securely hold and align cap in correct position. Side strips of velcro provide additional stick.
