The Plate: CRAZY Venus - a very High Performance Professional Plate!
The CRAZY Venus plate is an exceptional design which utilizes the very best technologies that are available to create 'excellence' in its performance. The Venus Plate is made of very Lightweight extruded and tempered Aircraft Aluminum and then completely CNC Machined and highly Polished providing a GREAT looking Plate! It uses the very articulate 20 degree action that both rocks and turns like many of the best Artistic Skates in the World and with Trucks that use a single Adjustment Nut to articulate the Non-Click Action Adjustment. The standardized complete Truck Assembly assures consistent high levels of performance across the CRAZY Skates Frames, including the Venus and the Apollo. Comes complete as a set of 2 plates for a pair of Roller Skates. NOTE: Colour plate choice is based on avallability - please email before ordering.
