Description

The NEW ATOM TONE Rhythm Wheel!
Atom's new Tone wheels bring an impressive level of performance to the rhythm market. A fast-rolling wheel that gives you grip enough to hold your edges while also being able to snap crisp 3-turns - **These are a dancer's dream come true!** ATOM developed the Tone wheels for rhythm skaters, though they easily perform up to the standards of competitive artistic skaters. Tone wheels strike the right balance between Roll, Grip, and Slip. Doesn't matter how you roll - Jump, Spin, Bounce, Dip, Shuffle, these wheels inspire confidence to try new things.
Rediscover your skates with the Tone wheel experience!

ATOM TONE Features:

• Available in 6 fun colors! - Blue, Red, Black & White AND New Purple and Pink! - Sold in 8-packs

• 57x32mm 97A hardness

• Durable Urethane - holds up to dancing both indoors and outside. Doesn't matter if you're rolling in the rink or on the sport court - the Tone's perform.

• Our testers have pushed these wheels to the limit and the results are in: *"After months of outdoor skating, these wheels have held up surprisingly well!"*

• Performance wheels that are both durable & affordable.

*(***NOTE:** These are not meant as a traditional soft outdoor wheel, however they can be used outdoors on very smooth surfaces.)*

• • *Order your bearings at the same time as the wheels, and request **FREE** professional bearing installation!*
