Description

BONES Big Ball Bearings! Hit the rink or the track and start rolling with the newly introduced Bones Big Balls Reds Bearings! Manufactured with **6 ball bearings** that are larger and roll fewer times to go the same distance. Like bigger wheels on a car, they create less rolling friction and have a higher top speed. A special design with Skate Rated quality materials designed specifically to have a faster acceleration, quicker roll, and greater durability. 100% engineered for skating. Available only in 8mm (608) size package of 16 precision sealed bearings.

FEATURES:

- 6 bigger balls, stronger and faster

- Single, non-contact, removable rubber shield allows for easy cleaning and less friction
- Removable high speed nylon ball retainer for greater strength and speed
- Pre-lubricated with Speed Cream racing lubricant
- Available in 8MM only
