Description

The BONT Evolve Wheel!

Bring your skating up a notch with the next evolution in skate wheels. The Evolve wheel has extremely high roll, rebound, grip and wear properties. This is achieved through the use of ultra high-grade urethane. The hub is made of lightweight polycarbonate and was designed to provide a rigid structure for high-speed cornering. Whether you are busting through the pack in a bout of roller derby or skating at laps at your local rink, there is a size and durometer Evolve wheel that will perfectly suit your needs! Choose 4-Packs OR 8-Packs!

BONT Evolve Wheels 4-Pack

Available in:

Derby 59 x 38mm - Blue 88A, Purple 92A, Red 95A, Black 98A
Speed 63 x 42mm - Blue 88A, Pink 94A, Green 96A, Orange 98A
