BONT Knee High Skater Tube Socks

Description

BONT Knee High Skater Tube Socks!

The Bont roller skate triple stripes Tube Socks available in four great colours! Combining moisture management, a cushioned foot, and a comfortable toe seam - you can roller skate all day! The no heel design allows for a one-size-fits-all tube sock. As the tube sock is shaped like a tube rather than a human foot, the height of the sock on your leg will be dependant on your foot size. The 19" Tube Socks come to about mid-calf for most adults / knee-high for teenagers and short adults. 22" Tube socks will come to about knee-high for most adults/ mid-calf for tall adults The Bont skate tube socks are made of breathable material with 90% premium Cotton + 10% Spandex which keeps your feet dry. They are easy to wash, either by machine or hand, however, do not bleach. Sold as a pair of tube socks.
