Description

BONT MyBONTS Custom Quadstar Carbon Boots!

MyBonts takes customization to a whole new level, providing you with the latest and greatest way to personalize your Bont boots. Since 1975, we have been creating custom designs, allowing you to mix and match colors to suit your style and stand out from the crowd. Experience the enhanced Bont Quadstar Carbon roller derby skate boot, now featuring a carbon fiber base for increased strength and reduced weight. Built on an anatomically shaped last derived from laser scans of real feet, this boot offers exceptional responsiveness and lightweight performance, elevating your skating experience. Incorporating cutting-edge boot technology advancements such as carbon fiber, heat-moldable resins, and new layup techniques, this boot combines durability with modern innovation. Designed to withstand the challenges of roller derby, the boot includes replaceable rubber bumper toe protection, an adjustable Velcro top strap, and a rear heel loop for convenient lacing. Prepare to dominate the track with a boot engineered from tough materials and equipped with features that prioritize your comfort and protection.

Features:

Base: Carbon Fiber

Boot height: Standard

Heel rise: 6mm

Innersole: EVA with fabric

Heat moldable: Fully heat moldable base utilizing epoxy thermoset resin

Padding: Memory foam

Size options: 3 - 13

Fit options: Standard fit only, does not come in narrow, wide, or double wide fit

Please note the colors displayed on your screen are a close representation of what your product will look like. We have tried to make this representation as close as possible but the finished product may look slightly different from what you see on the screen. The texture of the material may also differ.
