Description

CRAZY Control Derby Wheels!
CRAZY Control wheels are very high performance Cast White Poly-Urethane wheels, with a large profile green Delrin Hub, and are quality made in the USA. ***CRAZY*** **REWIND, PLAY,** and **FAST FORWARD** wheels are specifically formulated for the varying Skating Surfaces for Roller Derby, and Rec Skaters love them too! The wheels have a very good amount of roll due to the large profile Hub, just the right amount of Rebound to provide that grippy-springy feeling, and yet grip hard, based on the durometer and weight of the skater. Sold in 8-packs - please specify in the notes section at checkout if you want to mix 4 and 4 of 2 different harnesses.

CRAZY REWIND XXX - 90A - Grippiest
CRAZY PLAY XX - 93A - Good Balance of Grip and Speed

CRAZY FAST FORWARD X - 96A - Hardest, Fastest!
