Performance

Triple Quad Jumps

IT'S ALL ABOUT PERFORMANCE

- The specialized design and engineering. The distinct materials. The handmade manufacturing. It is all about performance. It is all for you.

FLY AS LONG AS YOU WANT

- All Edeas are anatomically designed for shorter break in. A raised toe area provides a profile with more space for a skater's comfort. Ventilation holes designed to pump air into the boots. Memory foam for padded comfort. Skate all day.

FLY STRONGER

- The ergonomic heel pocket keeps the foot aligned and the flexible tongue supports the foot for every training session.

FLY LIKE A CHAMPION

- The ultimate in quality for today's discerning skaters. The Freedom model has a raised toe bed to place the center of gravity where the skater needs it to be for complete control and stability.

FLY IN ITALIAN STYLE

- From the sparkle of the crystals to its elegant lines, the Fly is the beautiful boot everyone will notice.

SIZING:

1. To determine your size, first make a tracings of your feet. Follow these [Sizing instructions](#)
2. Refer to the Comparative Sizing Chart for Fitting EDEA Boots [Here](#).
3. As a general Rule of Thumb, your EDEA boot size will be approximately 10mm (one full size) larger than your actual foot measurement.
4. Email your findings to: CustomerService@RollerSkatin.ca so we can confirm your size selection and help to assure you order the correct size.
5. We will advise on any heat-shaping that may be required based on your foot shape, to make sue you get the right fit.

NOTE: If you are already certain of your size, from other fittings or previous EDEA boot experience, and don't wish any further sizing advice please indicate so in the NOTES section at Checkout :D
