VNLA Tuxedo Edition! – Great complete skate package for JAM, Recreation or Speed!
The Vanilla Tuxedo Edition features a black and white center flap and toe section will full black leather upper, a fully stitched rubber outsole, and

super tough and comfortable skate shoe lining. The newly designed plate is Vanilla’s nylon Gorilla with super snappy 5 degree action with cone shaped cushions to increase response. Vanilla jam plugs, designed and tested by Team Vanilla for all types of skating, are the recommended toe stop choice – or choose standard 5/8" thread toestops for greater stopping ability. The ABEC-7, race spec bearings will keep you flying around the floor and have been rigorously tested by Team Vanilla to make sure they will endure the test of time. Surrounding those great bearings, are top quality, super light Backspin nylon hub wheels that come with a lifetime warranty. Vanilla Smurf skates are available in sizes Men's sizes 3 to 11 (Ladies, please go down one size for the best fit ie. Mens 7 = Ladies 8).

• *Vanilla's fit best for people with a medium to wide foot, may not be the best choice if you have a slender or narrow foot.*

• *Ask about Other UPGRADE & SUBSTITUTION Options; Plates, Wheels and Bearings.*
