Description

Professional Plate Mounting
We have the required depth of industry knowledge and experience to mount your plate the right way, the first time! We will professionally mount your plate to your boots using the best industry standard practices and techniques, and we include all the necesary hardware for any plate/boot combinations that you may need. Its important to get this part right so leave it to an expert!

NOTE:
• Add this to cart if you buying boots + plates and would like us to professionally mount
• If buying a complete set-up (boots + plates + wheels + bearings + stoppers) Your Pro Plate Mounting is FREE!

• If you have boots and/or plates and wish to bring us your components in person, meet at an event or wish to ship, contact us here to set up an appointment to visit or info on how to ship

> I have had several skate setups mounted by Tony now, both park and artistic, and have been so happy with the results!! He gets the job done in a timely fashion and the mount alignment has been perfect. Thank you for your awesome skill and work!!
