Description

RADAR Energy 57mm Outdoor 78A Wheels!
The Energy series is made from the best flexible urethane material available for outdoor performance skating. The soft material glides smoothly over bumps and track debris. The Energy outer urethane has plenty of bounce, making the wheels responsive and running exceptionally fast. Available in Purple 57mm, 8-Packs!

• • *Order your bearings at the same time as the wheels, and request **FREE** professional bearing installation!*
