Description

The Imperial offers superior feel without compromising stability. The Imperial offers 45 degree double action trucks utilizing a unique skating configuration where the action takes place over the pivot pin allowing the skater to rock-over quicker and deeper than ever before. The Imperial has long been considered the best figure plate on the market. Featuring dropped forged aluminum plates, forged aluminum trucks and hangers for superior strength and light weight, 7mm steel axles and connecting parts. Includes rubber cushions for enhanced feel and feedback, and adjustable pivot pins for complete control. Comes with adjustable rubber toe stops. Every Snyder skate is 100% made in the USA. Fits boot sizes 6-15.
