Sure-Grip Phoenix Leather Boots

Description

The Sure-Grip Phoenix is a quality 100% genuine leather skate boot with a full leather stitched sole! Reinforced stronger counters are added for lateral responsiveness and overall durability. A wide removable power strap locks your foot in place and with ability to adjust when needed. The Phoenix has a widened and reinforced toe-box that fits medium to wide. Tongue stabilizers to prevent tongue slippage and lace snug tie at back to snug down heel. Derby tested and approved! The Phoenix is made in Women's sizes 4 - 10 and comes in full and half sizes. (Men should choose one whole size higher than your regular shoe size for best fit). Limited sizes are available in the pull-down menu.

- Go to [Build-A-SKATE](#) and create your own custom build with this boot!
- Add your plate, wheels and bearings and get free mounting and assembly at time of ordering!
