Description

The Sure-Grip Phoenix is a quality 100% genuine leather skate boot with a full leather stitched sole! Reinforced stronger counters are added for lateral responsiveness and overall durability. A wide removable power strap locks your foot in place and with ability to adjust when needed. The Phoenix has a widened and reinforced toe-box that fits medium to wide. Tongue stabilizers to prevent tongue slippage and lace snug tie at back to snug down heel. Rolled collar with a minimal layer of moldable foam inside for comfort. Derby tested and approved! The Phoenix is made in Women's sizes 4 - 10 and comes in full and half sizes. (Men should choose one whole size higher than your regular shoe size for best fit). Please check the insole measurements below, compare to a current skate boot or snug running shoe you have to see how it compares for fit. Sizes are available as per the pull-down menu.
