Description

The Sure-Grip Phoenix Venus Derby Skate is a fantastic intermediate to advanced custom Derby skate package at an unbelievable price!! Super package with all brand name quality components including: a leather stitched sole boot, CNC machined aircraft aluminum plate in choice of several colours, and tried and true derby wheel choice in a varierty of coloutrs and sizes.

The Boots: Sure-Grip Phoenix is a quality 100% genuine leather skate boot with a full leather stitched sole! Reinforced stronger counters are added for lateral responsiveness and overall durability. A wide removable power strap locks your foot in place and with ability to adjust when needed. The Phoenix has a widened and reinforced toe-box that fits medium to wide. Tongue stabilizers to prevent tongue slippage and lace snug tie at back to snug down heel. Rolled collar with a minimal layer of moldable foam inside for comfort. Derby tested and approved! The Phoenix is made in Women's sizes 4 - 10 and comes in full and half sizes. (Men should choose one whole size higher than your regular shoe size for best fit). Please check the insole measurements below, compare to a current skate boot or snug running shoe you have to see how it compares for fit. Sizes are available as per the pull-down menu.

The Plate: CRAZY Venus is a very High Performance Professional Plate!
The CRAZY Venus plate is an exceptional design which utilizes the very best technologies that are available to create 'excellence' in its performance. The Venus Plate is made of very Lightweight extruded and tempered Aircraft Aluminum and then completely CNC Machined and highly Polished providing a GREAT looking Plate! It uses the very articulate 20 degree action that both rocks and turns like many of the best Artistic Skates in the World and with Trucks that use a single Adjustment Nut to articulate the Non-Click Action Adjustment. The standardized complete Truck Assembly assures consistent high levels of performance across the CRAZY Skates Frames, including the Venus and the Apollo. Comes complete as a set of 2 plates for a pair of Roller Skates. NOTE: Colour plate choice is based on avallability - please email before ordering.

Featuring:

- ULTRA Lightweight unsurpassed in Strength to Weight ratio
- Machined Aluminum Toe Stop insert utilizing an Allen Screw Adjustable Toe Stop
- Professional Delrin Pivot Pin Inserts
- Pro Aluminum Cusion Retainers
- 20 degree action – Best balance of both worlds between quick 10 degree and agressive 45 degree
- Stainless Steel King Pin made specifically to be a King pin *(not just a standard bolt)* that utilizes a special Locking Nut to secure it to the Plate and increase the
- Strength to stand up to the most rigorous usage
- Aluminum Truck embedded with a highly precision 8mm Axle and a hardened steel Pivot Pin
- Includes: Arrow Toe stops and Skate Tools!

Wheels: Choose from available Derby kit wheels: Sure-Grip TITAN, CRAZY Control, or Crazy Quake wheels in choice of hardnesses, colours and sizes.
Bearings: Sure-Grip ABEC 7 bearings
